

## Henderson Collegiate Middle & High Schools Parking Map

Dear Families,

As a courtesy, we would like to provide you all with a clear guideline for where to park when coming to visit the school. Please note that you should always park in the visitor parking spots across from the Middle School front office. Visitors should never park in front of the awning attached to the Middle School. All cars must be in a parking space if you are picking up a student or visiting the school. **Cars should never be left along the sidewalk.**

### Map Legend:

- Staff, Parents, & Visitor Parking
- No Parking
- ♿ Handicapped Parking

Please reference the video on our website (<http://www.hendersoncollegiate.org>) for a visual representation of the drop off and parking areas. Thank you to all of our parents for obeying our traffic procedures and ensuring the safety and wellbeing of our students.
