## Spring Break Packet 2020

Hello APUSH Family!

I hope you are staying happy, healthy, and avoiding cabin fever during our early spring break! Mr. Burlison will be getting some quality time on the golf course, while Ms. Douglas will be snuggling with Luna and continue to be a human hermit... ☺

Over our spring break, please complete the following parts that are included in this packet:

- Chapter 28
  - Key Terms
  - Chapter Questions
- Chapter 29
  - Key Terms
  - Chapter Questions

There are separate directions for each part of the assignment, so please read through them carefully before you jump into each section. Listed below is a timeline for when you should complete each section of the packet. As always if you complete it earlier than suggested, please feel free to continue on!

Chapter	Complete by
Chapter 27 Cornell Notes (I didn't forget... ☺)	3/19 ( Will collect when we get back so <b>PLEASE</b> have ready)
Chapter 28	3/27
Chapter 29	4/3

Listed below is a break down on how long you should spend on each section

Section	Time
Key Terms	1.25 Hours Per Chapter (5 minutes per term)
Chapter Questions	1 Hours Per Chapter (15 minutes per question. <b>NOTE:</b> includes planning time)

### Big Takeaways During Spring Break

1. **Stay on top of your work! Do not procrastinate and wait until the last second to complete.**
2. **PLEASE KEEP ALL CHAPTER READINGS!!!!!! (They will go in your binder when we come back)**
3. Stay safe during break. Make good choices as the end of the school year is approaching!
4. Reach out if you have any questions at all!

## BREAK PACKET BREAKDOWN

**Key Terms :** In this section, you will be defining and explaining key terms that are present in the chapter. This section has a page number, definition/explanation, and significance portion to each term. In the page number section, you will list the page number(s) that each term is present on. This will help you when you go back to study the chapter as a quick reference guide. In the definition/explanation section, you will briefly summarize what each term means. In the summary section, you will be linking the term to the key concepts and understandings of the chapter. Listed below is a rubric for the key terms section.

### Rubric
