Subject: Break Packet with Extension

Greetings.

The “pre-Final” and “FINAL” problem sets are due on April 7. Be sure to show work habits **and contact me weekly for full credit**. If you do not contact me, then you will not receive full credit. You must contact me weekly to keep me updated on your progress. If we are not in school on April 7, begin work on the List of things to remember not to forget. It will count as a separate grade -- be sure to show work habits here for full credit, too.

Please see the table below for clarity on expectations.

<u>Assignment</u>	<u>Did you do it yet?</u>	<u>Completion date</u>
Contact Dr Nagel by email or text #1		Sunday 3/22
Contact Dr Nagel by email or text #2		Sunday 3/29
Contact Dr Nagel by email or text #3		Sunday 4/5
Pre-Final and Final Problems Sets		Tuesday 4/7
As of 3/16, we fully expect to return to	classes on 4/7.	If that changes, work on the list of things to remember not to forget and it is also due when we return
List of things to remember not to forget		When we return

Again, this is an unprecedented time. Take care of yourself and those you love. Reach out. We're all in this together.

With love,

Dr Nagel

PS. There's a calculator emulator you can use because we aren't issuing TI 84s: just google "wabitemu" -- it should get you what you need.
