Dear Families of the Pride,

We've had several families reach out about sending their children back to in-person learning, and want to meet that need. We are therefore excited to announce that we are going to provide another opportunity for families to send their child to attend in-person learning starting on May 5th.

This will be the **LAST** opportunity for kids to return to in-person learning for our elementary and middle school for this regular school year ending June 10th. Seats are limited, so please reserve your student's seat as soon as possible. Once all available seats are filled, students will be added to our waiting list. The process for contacting your student's school is below.

This information only pertains to families who are **currently** doing remote learning and want to send their child back to in-person learning this school year. If you are a family that is already doing in-person learning, you should continue to send your student to school as usual and do **NOT** need to take additional action.

**Timeline:**

- **By April 30<sup>th</sup>**- Let your student's school know if you are planning on sending your child for in-person learning starting on May 5<sup>th</sup>
- **May 5<sup>th</sup>**- Once confirmed by our Operations team, start sending your child to school for in-person learning

**Process for contacting school:**

<b><i>Henderson Collegiate School</i></b>	<b><i>School Phone Number</i></b>
